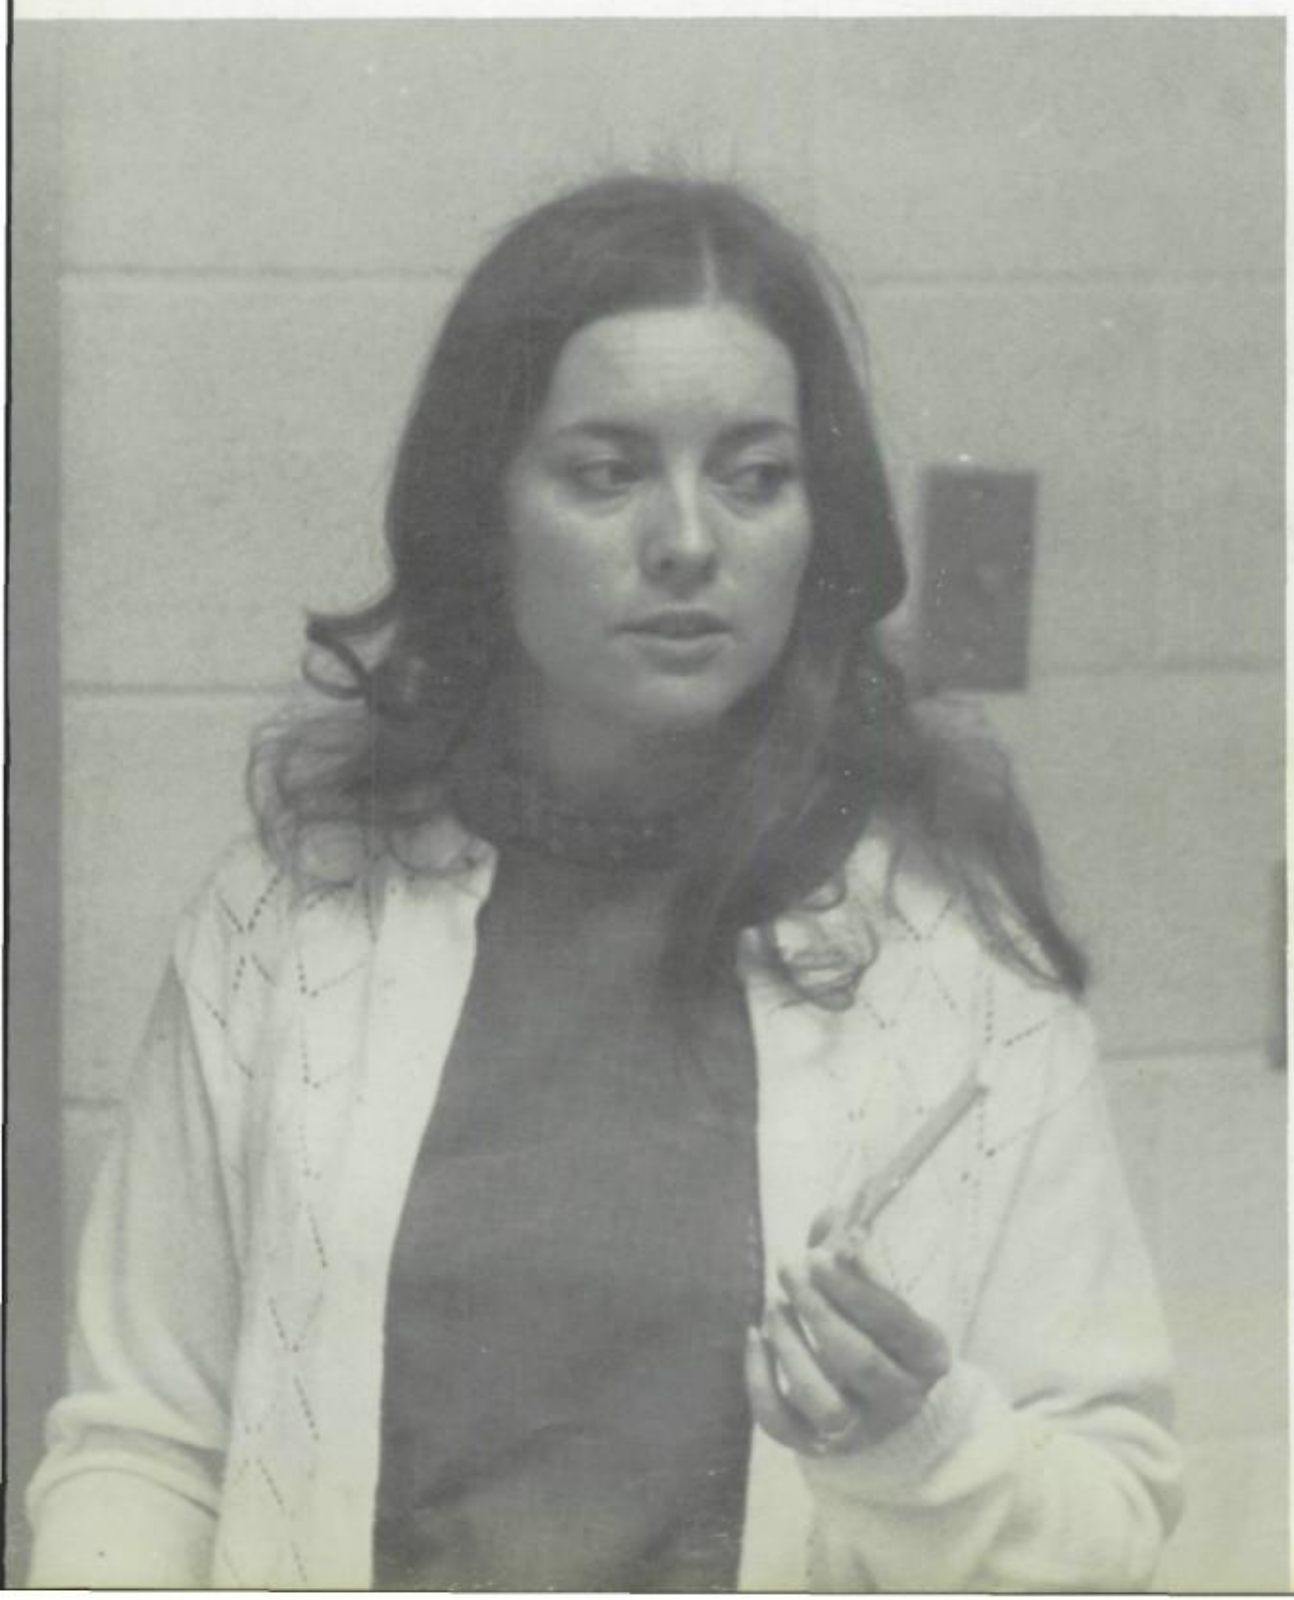
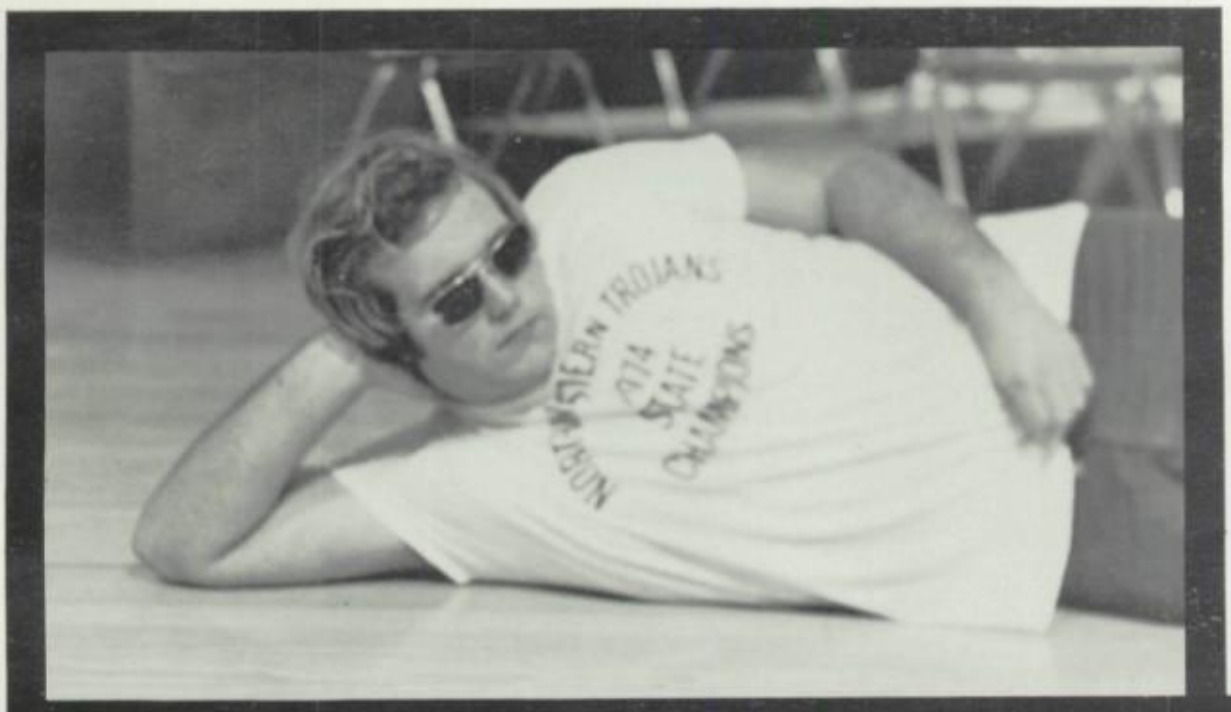
The Senior Glass of 1975 has overwhelmingly voted to dedicate the 1975 Aeneid to **Mrs. Barbara G. Steele.** Although she was married last year, **Mrs. Steele** is still often referred to as **"Miss Grant"** by those Trojans who have known her prior to this year. By either name, however, she is very well known and well liked by practically everyone at Northwestern, both as a teacher and a friend. No matter how busy she is, **Mrs. Steele** is always willing, with a smile, to help students with their math problems or aid in any other area in which assistance is needed. Evidence of her numerous contributions to Northwestern is apparent in almost every aspect of our school. Since the foundation of Northwestern, she has been one of the sponsors of the Pep Club and up until this year, she was varsity cheerleader sponsor. Last year, **Mrs. Steele** helped extensively in the planning and decoration for the Junior-Senior Prom and this year she was responsible for organizing the Homecoming events. The Senior Class is proud to dedicate the Aeneid '75 to such an active, and devoted Trojan as **Mrs. Barbara Steele.**

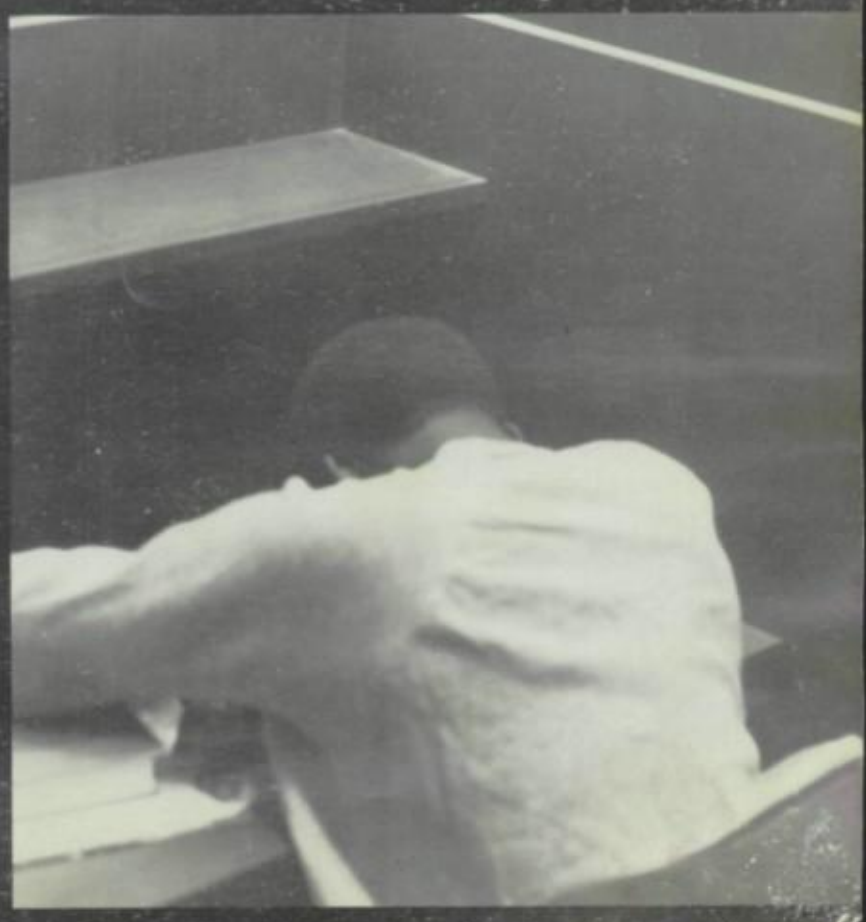


Go placidly amid

the noise and haste,



and remember
what peace
there may be
in silence.



As far as possible

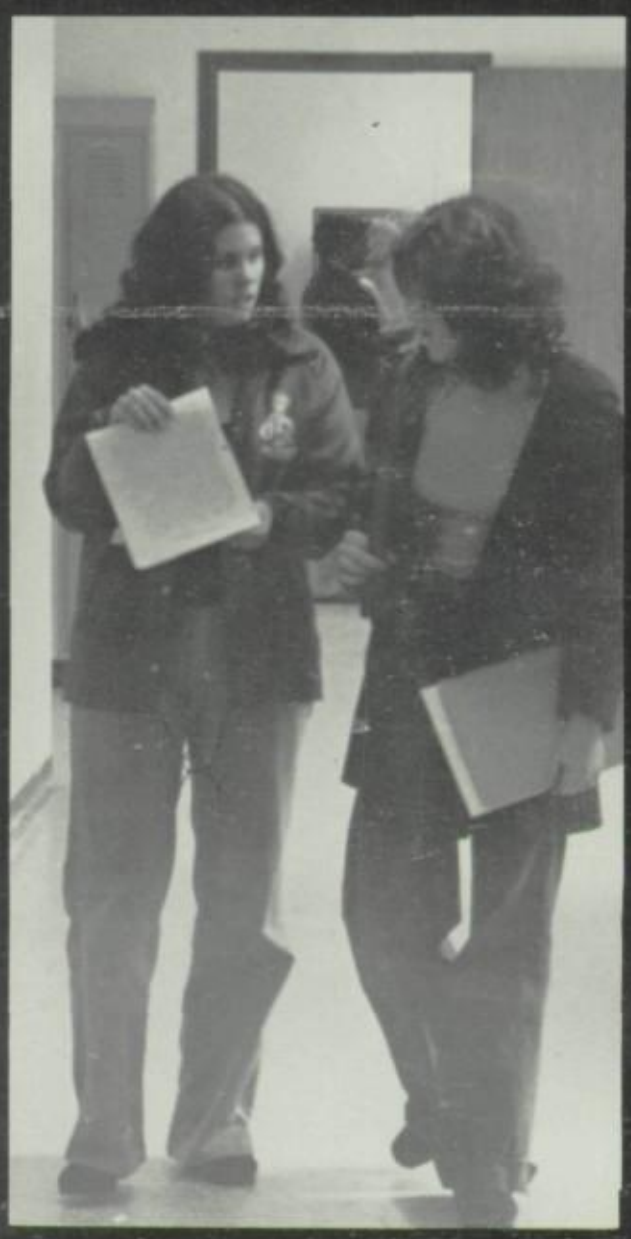
without surrender

be on good terms

with all persons.

Speak your truth

quietly and clearly;



and listen to others, . . .

they too have their story.

Take kindly the counsel of the years,
gracefully surrendering the things of youth

Mr. Foster Is Always On The Ball!

A vital figure behind Northwestern's efficient operation is its head principal, **Mr. Samuel R. Foster.** He is well-known around the school from his friendly greetings in the halls to his "Pardon me for a moment please," over the P.A. In addition to being directly involved in student affairs, **Mr. Foster** is also concerned with supervising the faculty and staff, and coordinating school activities.

Mr. Oates and Mr. Couick Take Care Of Business

1

A familar figure in the Northwestern parking lot each morning is **Mr. Tommy Oates,** one of our assistant principals. Along with his duty of supervising the parking lot, he is also concerned with student discipline and attendance problems.

Our other assistant principal, **Mr. Jerry Couick,** has completed his first year with us here at Northwestern. His areas of responsibility include transportation, buildings and grounds, and textbook distribution.

1) **Mr. Oates** goes to any lengths to get what he wants! 2) A typical gesture of **Mr. Oates** as he directs traffic in the parking lot. 3) **Mr. Couick** debates over whether or not to disobey the sign and feed the animals!

With The Computer's Help, Counselors Schedule, and Re-schedule, and . . .

Schedules! Schedules! Schedules! This is just one of the many daily dilemmas which face the guidance counselors. With the quinmester system they are also confronted with countless course selection opportunities and computerized report cards.

Each counselor sponsors a class. **Mrs. Ticktin** sponsors the Senior Class. She informs these students of scholarship opportunities and prepares them for college. She aids in the ordering of graduation supplies and is the director of the commencement ceremonies. **Coach Jenkins** has a vital job in working with the Junior Class. He administers standarized tests, such as the career profile test. He also aids in the ordering of high school rings and is responsible for the planning of the Junior-Senior prom held annually in each spring. **Mrs. Hilton** sponsors the Sophomore Class. She helps these students in making the transition from Junior High to Northwestern and also aids them in preparing to fulfill the necessary requirements for graduation.

Efficient Secretaries Keep Office Running Smoothly

1

Calling parents, making announcements, arranging appointments, taking lunch money, and scheduling next quin courses are all part of the tremendous tasks handled by the four Northwestern secretaries. **Mrs. Jameison** serves as personal secretary to **Mr. Foster,** while **Mrs. Murphy** is employed as a bookkeeper. **Mrs. Kyle's** receptionist duties vary according to the circumstances. **Mrs. Yongue,** scheduling clerk, works with the counselors in planning the quin program. Because of their efficiency, the office is operated in a smooth orderly fashion and the visiting public is greeted with a smile.

The English department provides a wide variety of course offerings. From these a student may select those in which he is most interested. Several changes have been made in course offerings and course credits. Students taking speech and drama courses, such as Technical Theater, Basic Dramatics, Sounds of the English Language and Communication I & II, received elective credits rather than English credit.

During the second quin, Northwestern was fortunate to have **Dr. Pettigrew,** a professor at Winthrop, teach Advanced Short Stories.

Driver and traffic safety education is offered in our curriculum as a means of saving lives, reducing personal injury and eliminating economic loss. This course also helps the student develop self-confidence in driving as well as personal responsibility.

The product of the driver education program is not, nor is it intended to be, a fully experienced driver. Upon successful completion of the course, the student has a broad foundation of knowledge about himself as a driver, about the car, and about streets and highways.

Additional Courses + New Teachers

Mathematics is one of the most useful and fascinating divisions of the human knowledge. At least two years of math is necessary in order to graduate. Our program offers students such additional courses as Business Math, General Math or college preparatory courses such as Algebra III, Trigonometry and Pre-Calculus for the first time.

Even though books and periodicals are the major concerns of the librarians, they also perform other tasks. In coordination with **Mr. Couick,** the librarians handle the text book distribution. Yet with all their responsibilities the librarians always find time to assist students.

Students utilize the various resources provided by the library. Many students use the conference room or audio-visual room to hold conferences, listen to various records and to view filmstrips.

Several students devote their free time to helping the librarians in their many duties.

The Field of Science

As the field of science steadily expands, the Northwestern Science department does likewise. Such courses as Botany, Cell Biology, and Animal Structure are offered in the Biological Sciences. In Botany, field trips were planned which led to a more indepth study of the structures the students were currently studying. Cell Biology offered the students a chance to learn more about the cells which make up the human body. In Animal Structure advanced dissections were planned to broaden the students' interests in the structures and functions of the various parts of an animal's body.

Experiments were conducted in Chemistry and Physics to determine whether chemical or physical changes were taking place within certain elements and to determine the friction and force of an object.

Biology II which is a continuation of Biology I was an added extra for seniors this year.

Fine Arts — Outlet for Creative Expression

The art program at Northwestern offers students a chance to develop their creative talents and abilities. This year, in addition to an already wide selection, students had an opportunity to enroll in new courses such as Advanced Printing, Printmaking I and II, Advertising Art, and Masters of Art.

The music department includes classes in chorus and band. Students desiring to elect courses in Chorus can choose between regular chorus classes, classes in music theory, or classes in music appreciation. The band program enables students to further their skill in the use of an instrument through daily rehearsals, individual attention, and participation in athletic events, parades, and concerts.

Northwestern's AFJROTC engaged in many activities and tours. They journied to the North Carolina Air National Guard in Charlotte and flew from there to the North Carolina Mountains. They rode on a C-141 Jet Aircraft around Charleston, and they observed some of the parts at the Teledyne Metal Factoring Plant in Monroe, North Carolina.

Registration Held In Late August

Registration for the 1974-75 school year was held on August 20-22. At this time, students came on their assigned days to pay their book fees and to receive their schedules for the first quin. To some it meant new classes with new teachers, to others it meant excitement because this also meant a reunion of friends long lost over the summer. Trojans were uniting once again making this year the most meaningful and prosperous.

1) Some Seniors are uniting once again for their final year. 2) During registration, **Bobby Ward** buys a toboggan from **Barbara Barnes,** an Aeneid staff member. 3) Students are picking up their schedules from **Mrs. Hilton.**

"Spirit Of '76"

One of the most exciting events of one's Junior year is the ordering and receiving of class rings. Because of the fact that theirs is the Class of '76, this year's Juniors had the opportunity to choose between the traditional ring or a variation called the "Spirit of '76". However, even with the new choice, the majority of the class preferred to remain with the traditional ring. No doubt, much deliberation went into the selection of such a meaningful possession as one's class ring.

1) Which one — sunburst, vistavue, cut stone or smooth? 2) **Davie Frederick** and ***Jimmy Herlong*** show off their rings to each other. 3) This is a sample of the special "Spirit of '76" ring available to Juniors.

"The King And I"

Amid the oriental decor of Siam, Northwestern produced its second play "The King and I." Under the direction of **Mrs. Martha Hoskins,** the choreography by **Mrs. Pamela Winders,** and the musical direction by **Mrs. Barbara Quinn,** the play was truly a success.

Cast members, numbering over 50, practiced diligently for weeks. Makeup, prop, and scenery crews also devoted many long hours that added to the play's popularity. On opening night, the long practices were evident because "The King and I" was reviewed as a "professional job."

Class of '75

Sponsors Jr.-Sr.

The class of 1975 spent many long hours planning and preparing Northwestern's second annual Jr.-Sr. On the evening of May 18, 1974, the Northwestern gym was transformed into the "Land of Troy". Realistic murals covered the walls, ivy-covered columns surrounded the room, while a heavenly atmosphere was created by a parachute hanging from the ceiling. Willy T. and the Workshop provided the music while the students and faculty "boogied". It was indeed a night to remember. Special thanks go to the Jr. class for working so diligently and making Jr.-Sr. a true success.

"We're From Northwestern,

Pride Week '75 was thrills, chills, fun, and excitement for all. Comic Book Characters, Heroes, and Idols

4

Comic Character's day converted Northwestern into a magical world of costumed students. Bugs Bunny asked "What's Up Doc?" as Frankenstein stalked the halls. The Godfather controled the office and the Lone Ranger yelled "Hi-ho Silver" as he fought off wild Indians. Dorothy and To-To under the good witch of the North's spell traveled to Oz. The Harlem Globetrotters dribbled down the halls until Zorro stole their ball. Minnie and Mickey Mouse, Shirley Temple, Donald Duck, Barbra Streisand, Wilma Flintstone, Atom Ant . . . the list goes on and on but students remained their favorite characters for only a day.

Rockin' 'Round the Clock

Rock-n-Roll! Students and faculty rocked around the clock all day at Northwestern on Fabulous Fifties Day as everyone dressed up to recreate "Those Happy Days". The gym shook as students went to the "hop" in the gym and twisted the day away. In addition to the twist contest, students also competed with Hula Hoops.

From greased back hair to pony tails, bobby socks to penny loafers, students relived the 1950's in style.

Aeneid Staff Works Together Harmoniously

Hard work was the main ingredient that went into the production of this year's Aeneid '75. Writing copy that would be read enthusiastically, placing a picture that would create the needed effect, deriving an attentive headline, and meeting those all important deadlines constituted the main objectives tackled by this year's staff which was dynamically headed by **Paige Pratt,** editor in chief; and **Anna Barron,** assistant editor. These two, along with **Ms. Ouida Ott,** sponsor, and other dedicated staff members, devoted much of their time and efforts, often staying at school until late at night in order to produce this annual. Their goal was to produce a long lasting reminiscent effect upon Northwestern's students for the many years to come.

The tedious job of directing this year's band was undertaken by **Mr. Louie Hoff.** Upon observing the band's performances on numerous occasions one could obviously see the many hours of practice, patience, and complete concentration that constructed such grand performance. The Band conveyed their talent by providing entertainment at pep rallies, football games, and basketball games.

On February 14 and 15, the following students had the honor of participating in Western Region Band at Anderson, S.C. **Jeanna Moore, Janie Elder, Sandra McDaniel, Danise Wilder, Billy Lansford, Kathy Lassing, Martha Campbell, Jack Hildebrand,** and **Sam Poore.**

". . . Sing, Sing A Song . . ."

This year's Choral Ensemble sang their way into the hearts of many as the altos, sopranos, tenors, and bases blended their voices into a tune of joyous melody. The lingering effect remaining after the presentation ceased instilled within the listener a feeling of peace and tranquility.

Their performance at the annual Community Christmas program exemplified the true value of real talent. Under the grand supervision of Mrs. Quinn, this talent was continuously displayed throughout the year as the Ensemble performed at various churches, clubs, and a variety of civic activities.

Drama Club Strives for Perfected Presentations

Auditions, daily practices, dress rehearsals, and prop designing represent only a few of the endless hours that went into the production of THE KING and I.

Aside from the KING and I the members of the drama club organized one act plays for the Drama Festival at Winthrop College and learned how to perform the proper skills necessary for play production.

F.C.A. Stresses Fundamentals of Sports

The Fellowship of Christian Athletes strives to bring athletes in all sports together through a better understanding of Jesus Christ. The group has been very active this year in weekly Bible studies and bi-monthly meetings with guests such as Albert Long, former four-letter athlete at the University of North Carolina and now a full-time evangelist. Members have also been involved in civic projects including ushering at the annual Rock Hill Christmas Tree lighting and guest speaking at various churches in the city. The club's service project this year was entertaining boys from the Jaycee Boys Home as guests for a Varsity basketball game.

Togetherness! This was the chief aim of this year's Interclub Council. The group, consisting of every club president, kept this yearly task strictly in mind as they sought the ideas of their fellow students. These ideas were later conveyed to the Student Council for further development of Northwestern's democratic structure. Hours of study and careful planning went into this year's Pride Week. Thus, that whole fantastic week exemplified the "pride and unity" which our motto implies.

Interclub Council Officers: Lenee Kirkpatrick and Wayne Hefney.

Students Take On Responsibility

Transporting students to and from school is the main concern of Northwestern's bus drivers. This responsibility must be undertaken by a student who is willing and able to maintain safety along the highway. Interested students take a bus drivers training course each year. If they succeed in their efforts they are given a bus, a route, and the responsibility of getting their fellow students to and from school safely.

The business world has opened its doors to Northwestern students through the Junior Achievement program. Students involved in this program are exposed to the challenges and problems that they will encounter in the business world of the approaching future.

Club Investigates Health

Prior to this year, the Science Club and Health Careers Club operated as separate organizations. Since the clubs were closely related, they combined in order to give students opportunities to express their talents in each area.

The primary concern of every member is to explore the science world and to learn of the many fields in health services.

An observation trip to the hospital along with speakers of various professions were highlights of the year.

Helpers Provide Aid For School

Each year aid is bestowed upon the staff at Northwestern by various students who are willing to sacrifice their free time in order to lend a helping hand. Students relieve the load on the office personnel by typing and delivering morning absentees, making announcements and running errands. They help the librarians by checking out books, replacing them on the shelves, and by performing other worthwhile tasks. The lunchroom workers are also aided by industrious students who sell milk, stack chairs, and wash dishes. The services these students perform have proven to be vital in the successful operation of everything at Northwestern.

KISER, WHITE, SCHWARTZ: Cited Most Outstanding In Major Meets

Inspired by Region III AAAA COACH OF THE YEAR, **Bob Jenkins,** the 1973-74 track team achieved their goal as they won a second state championship for Northwestern.

Under the leadership of captains **Jerome Douglas, Ronnie Covington,** and **Johnny Schwartz,** the Trojans out jumped, putted farther, vaulted higher, and ran faster than any of their opponents. Hard work and the will to win paid off as the thinclads defeated every team they met. Highlights of the year included victories over Spartanburg, Lancaster, T. L. Hanna, Orangeburg-Wilkinson and Rock Hill High. The Trojans also won eight other major meets. **David White, Johnny Schwartz,** and **Jimmy Kiser** won Most Outstanding Athletes at the News-Piedmont Relays, Cavalier Relays and the Buccaneer Relays respectively. Other team victories were: Trojan Relays Champions, State Record Relay Champions, Region III AAAA Meet Champions, Upper State AAAA Meet Champions, and State AAAA Meet Champions.

After winning the Region III Decathlon Championship, **Jim Kiser** traveled to Kansas and competed nationally, placing eighth out of all the top athletes from every state.

Trojans Enjoyed An Undefeated Season

Trojan Baseball — Championship Style

Led by the powerful bat of the most outstanding player **Mark Sumwalt** and the consistent hurling of pitchers **Jeff Austin** and **Ronnie Hargett,** the Trojan baseball team won the Eastern Division of Region III with an 8-1 record. The Trojans had a successful season as they captured the title at the first Annual Lancaster Invitation Baseball Tournament, where **Jeff Austin** was declared Most Valuable Player.

Highlighting the season was a suspense-filled contest pitting the Trojans against the Rock Hill Bearcats. The outcome determined which team would meet Union in the Region playoffs. Northwestern squeaked out on top by a score of 11-10, but their aspirations for a state championship were soon crushed by a strong Union team that eventually captured the state title for itself.

Despite this, the Trojans, under the guidance of coaches **John Daurity** and **Ed Thompson,** concluded the season with an exceedingly respectable 13-14 record and high hopes for the 1975 season.

Novice Girls' Team Aces NW Invitational

With most outstanding player veteran **Libby Galloway** as the No. 1 player, the Northwestern girls' tennis team concluded the 1974 season with a well-earned 9-3 record. Most of the team members were rookie tennis players, but with hard work, dedication, and the exceptional coaching ability of **Ms. Laura Powell,** the team became very proficient in tennis skills as the season progressed. Thus, instead of being faced with a losing, rebuilding season, the Lady Trojans found themselves in strong contention for the region title.

Galloway was backed up by **Dee Shuler, Ginny Colahan, Judy Hinebaugh, Libby Turner, Cathy Rose Beaty, Kathy Hoskins,** and **Susan Cody** as the team gave up only three matches, two to an experienced Spartanburg team, and the other, a disappointing loss to Rock Hill High School.

After winning the Trojan Invitational Tournament, the girls closed the season at the State Tennis Tournament in Columbia. **Galloway, Turner,** and the doubles team of **Shuler-Colahan** reached the quarter finals and the **Galloway-Hinebaugh** duo advanced to the semifinals before losing.

The Trojan netmen also carried away honors at the Northwestern Invitational Tennis tournament. Number one player **Saul O'Conner** led the team, being undefeated in the regular season. Participating in its initial year as a varsity sport, Northwestern's volleyball team posted an impressive record of 12-7. Advancing to the semi-finals of the regional tournament, the Trojans fell to a strong and aggressive team from Chapin.

The Trojans, coached by **Laura Powell,** dropped their first two matches to Mt. Pisgah and Lugoff-Elgin. They then defeated Camden, Andrew Jackson, and Rock Hill High. In their next encounter, the Trojans again fell to Mt. Pisgah after a three game match. The Trojans won three more matches before losing a heart breaker to Lugoff-Elgin, by a score of 14-16, 15-11, and 16-18.

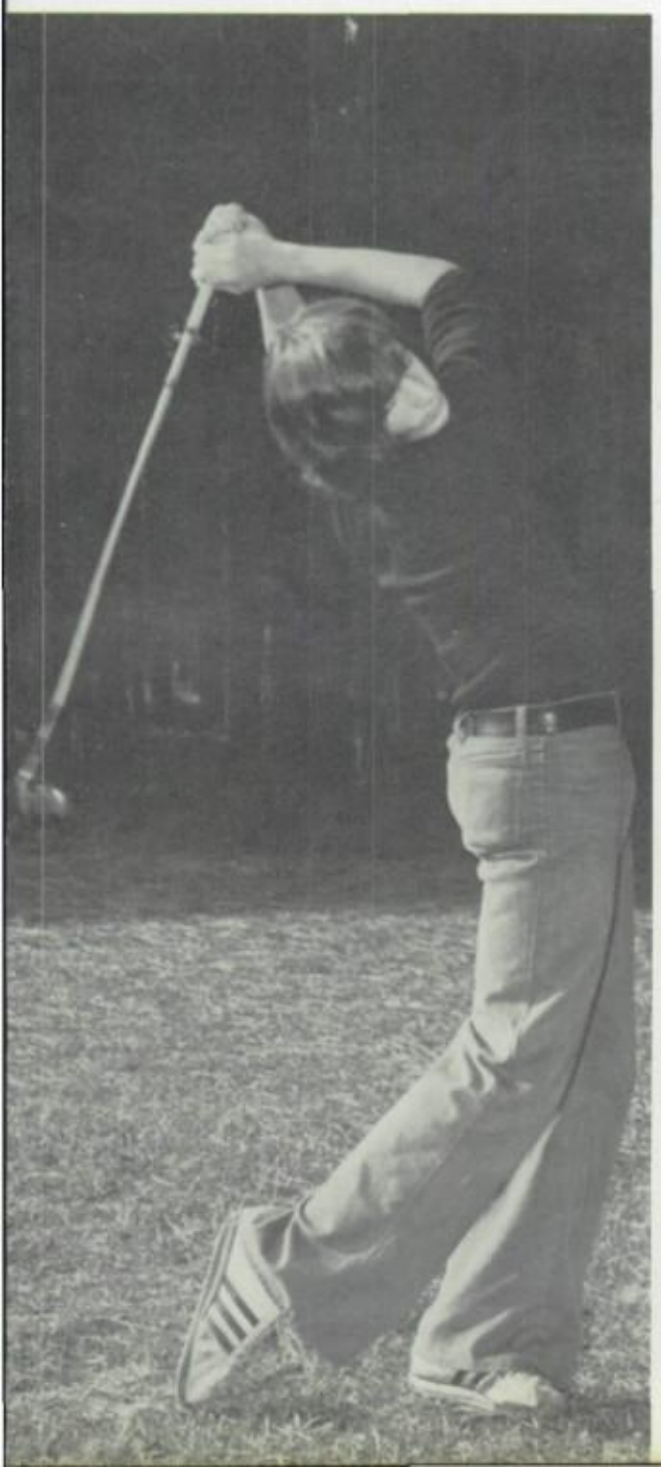
Swing With the Northwestern Golf Team

Kneeling: Davy Fredrick, Dickie Gunderson, Mark Holmes. *Standing:* Ben Johnson, Mike Biggers, Dan Byers, Jimmy Herlong.

A young, but promising golf team completed its 1974 season with a record of 10-10. Among its accomplishments, the Trojans finished 4th in the Region Tournament and defeated strong teams from Union and Rock Hill High.

The Trojans could not get things moving as they lost six of their first seven matches. They then drove back, defeating five of their next seven opponents. In tournament play, the now more mature Trojans defeated Rock Hill High, Chester, Union, and Lancaster.

The Trojan golfers were lead by Most Valuable **Dan Byers, Ben Johnson, Dave Fredrick, Mike Biggers,** and **Jimmy Herlong.** Others on the team were **Mark Holmes, Bob Stewart,** and **Dickie Gunderson.**

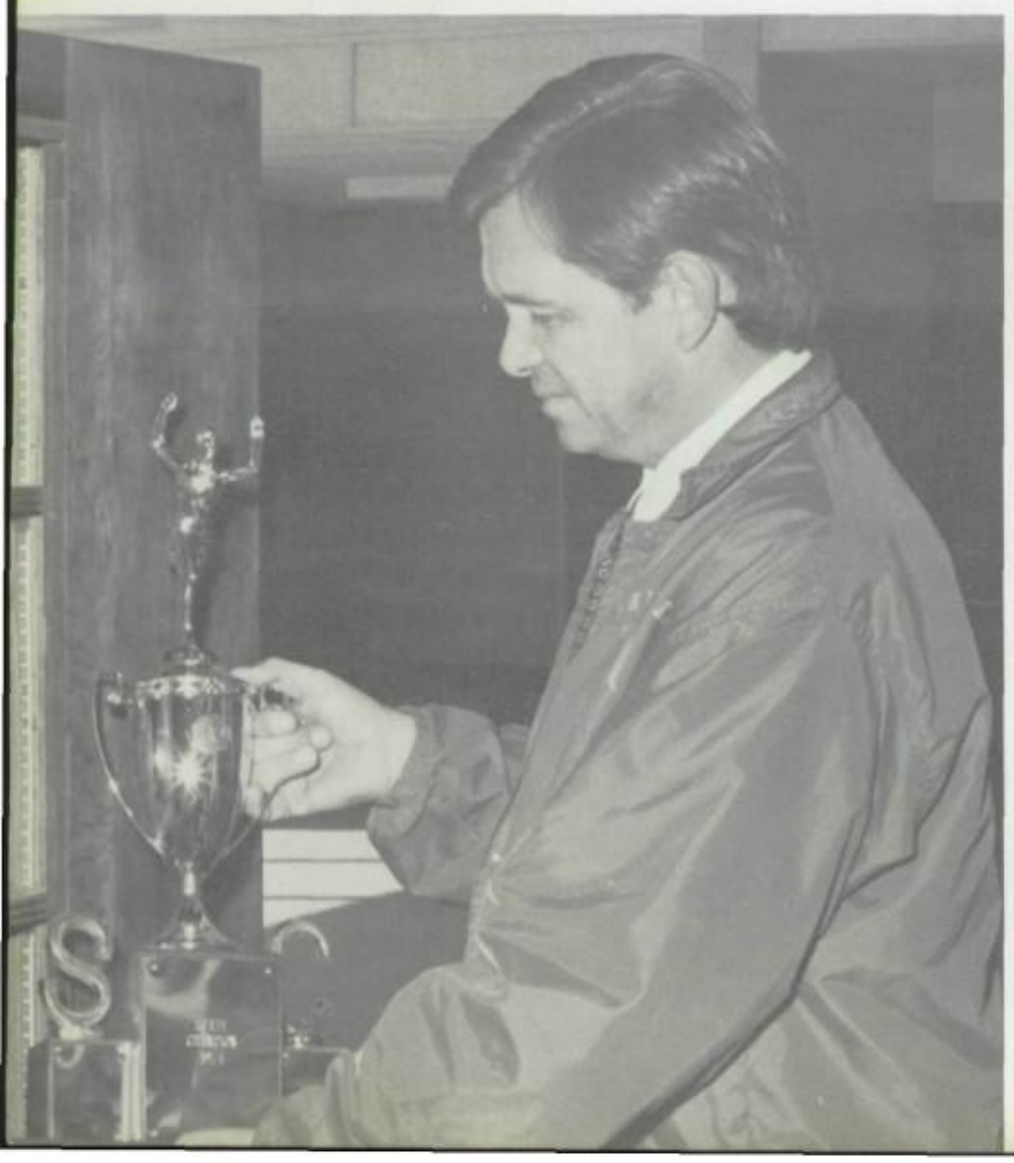


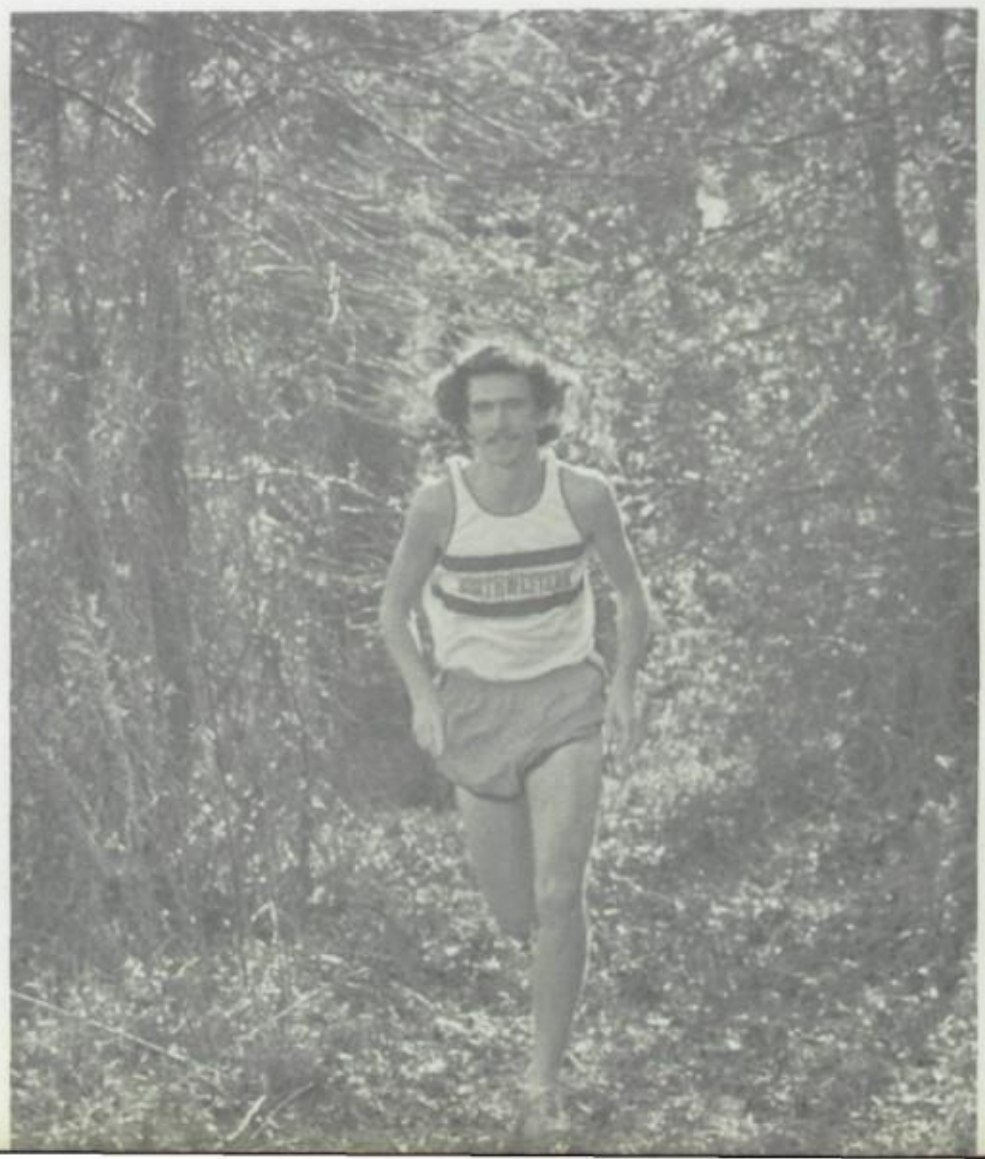
NW Cross Country Team: State Champs Again!

Another outstanding season by Northwestern's Cross Country Team resulted again in winning the State Championship for the second consecutive year. Losing many seniors from the previous year proved to be of no effect on the Trojans as many fine juniors and sophomore runners stepped up to take their place.

The Trojans, led by co-captains, **Robert Beaty** and **Jeff Mills** sped to an undefeated season. Along with a dual meet record of 14-0, the Cross Country team also became the Furman Invitational Champions, the Charlestowne Landing Champions. They also won the Upper State and went on from there to defend their title as State Champs. In the State Meet, tension was in the air as a worried coach sighed, indicating that there was no way for Northwestern to win. Then the announcer exclaimed over the loud speaker, "Again for the second consecutive year . . ." Finishers for Northwestern were: 5th, **Robert Beaty;** 16th, **Jeff Mills;** 21st, **Kevin Mills;** 27th, **Bobby Rayfield;** 34th, **Jeff McDowell;** 46th, **Randy McCollum;** and 53rd, **Don Clark.**

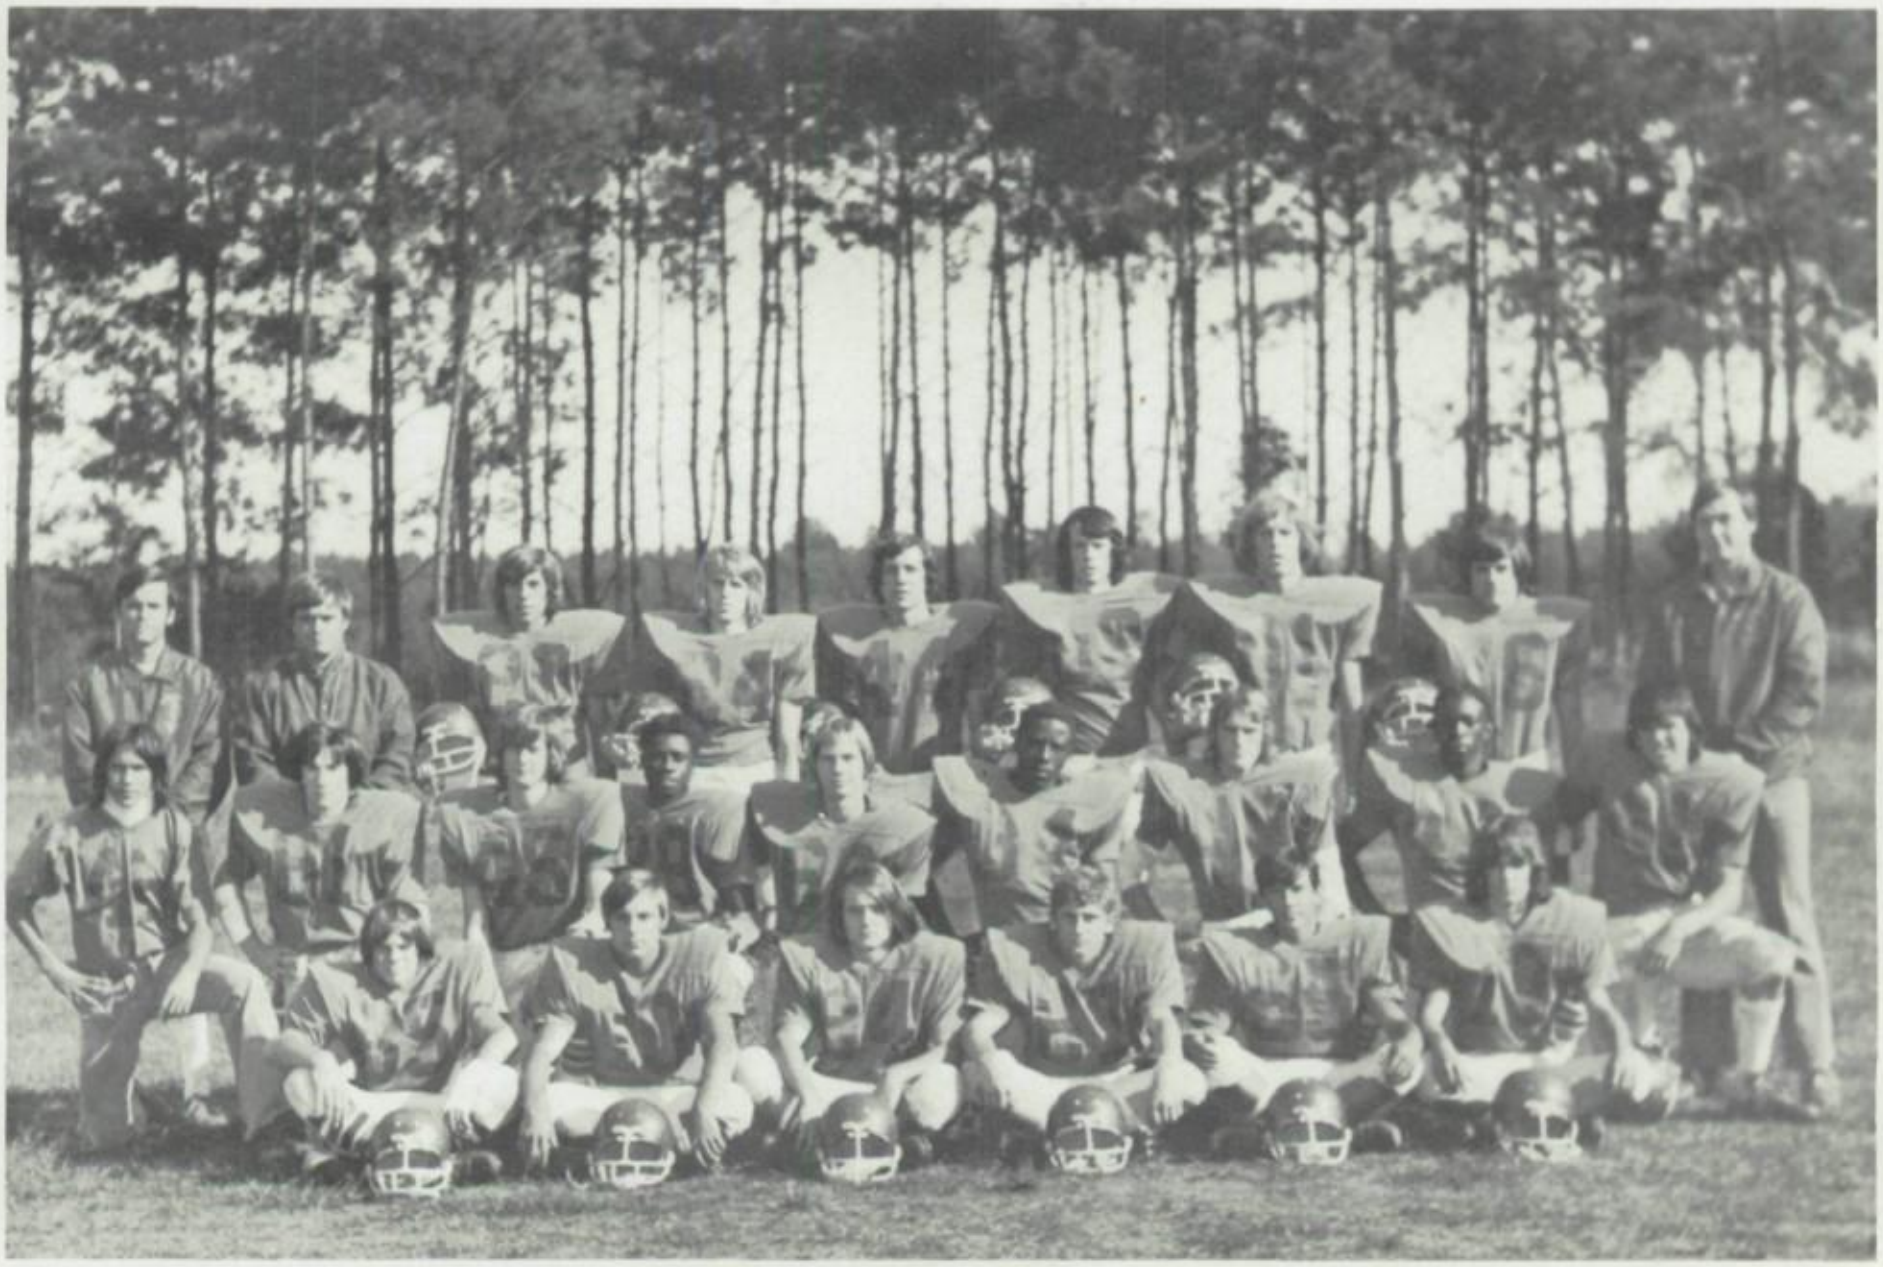
Coach Jenkins' athletic endeavors have produced several championship teams that make the student body proud to be Trojans. The AENEID Staff would like to thank him for this devotion which makes Northwestern GREAT!





Cross Country Team Is Constantly Cool!

J. V. Trojans Have Great Expectations



The 1974 Junior Varsity Football Team compiled a 2-4-2 record. They gained victories over Gaffney and Lancaster, while losing to Winnsboro, Union, Chester, and Rock Hill. They tied Clover and Fort Mill.

The Trojan offense was led by signal callers **Leland Greeley** and **Hill Muse.** The blocking of **John Neely, Bobby Gaillard, Neal Hollis, Ron Sellars, Mike Ashworth, Dewy Davis, Rodney Deason, Ricky Kennedy, Joe Henly,** and **Richard Rhyner** provided plenty of running room for **Sam Pratt, Marty Barnes, Herbert Foster, Jim Sturgis,** and **Chris Carroll.** On the receiving end of the Trojan aerial attack were **Ray Lowder, Robbie Belk, Jackie Huddleston, Raymond Hutchinson, Richard Baker, David Bolen,** and **Ricky Wogon.**

The Trojan defense was led by the determined efforts of **Billy Shillinglaw, Sam Pratt, Ray Lowder, Billy Sowell, Sam Shillinglaw, Leland Greeley,** and **Bobby Gaillard.**

JV Football headcoach **Prescott** is looking forward to the future with great expectations from these young men to carry on the WINNING Trojan tradition through much hard work, dedication, and pride in themselves and in Northwestern High School. **Coach Prescott** was assisted in his efforts by **Coach Dawkins** and **Coach Sumwalt.** Both gained important experience which will prove valuable to them in their later careers.

Trojans "Veer" Their Way To State Playoffs

The 1974 TROJAN MACHINE, operating with QB **Jimmy Kiser** at the controls, contributed another successful record for the NW record books. Highly ranked in the state ratings from the season's start, the Trojan men showed their stuff as they ended the season with an impressive 8-3 record and losing only to Southside and Lancaster in regular season play. The Trojans advanced to the state playoffs where seemingly invincible Hanna defeated them soundly, 41-0, thus destroying Trojans' hopes for the state championship. Seniors **Geno Walden** and **Harry Hicklin** headed NW's defense, while on offense **David White, Roy Miller,** and **Jimmy Kiser** led the running attack with **Rick Sanford** snaring the passes.

NW Cheerleaders Don't Take No Stuff!

Leading the cheers at all NW's athletic events were only a fraction of the important tasks in which the Varsity Cheerleaders participated. Acting as hostesses, guides, and runners, their smiles were enjoyed by all. This year the cheerleaders were from left to right: **Gail Smith, Josephine Bynum, Louise Moore, Ann Kathryn Ivey, Beth Bates, Lesa Tinkler, Martha Butler, Bonnie Haley, Olivia Shepherd, Carolyn Miller, Judy Hinebaugh,** and **Tina Brice.**

Junior Varsity Cheerleaders Rally

The Junior Varsity Cheerleaders displayed great pride and school spirit this year in their support of the J.V. teams. In addition to their cheering responsibilities, they painted signs and sold spirit buttons and ribbons. The JayVee squad members were **Bess Lane, Susu Jenkins, Lynn Parris, Gayle Ussery, Ann Chapman, Ginger Graves, Donna Larkins, Deborah Boger, Denise Thompson,** and **Doris Baxter.**

The Graceful Gang: NW Gymnasts

It takes a combination of strength, co-ordination, agility, and concentration along with confidence and poise to be a member of the gymnastic team. This versatile unit participates in different events including the uneven parallel bars, the vault, the balance beam, and the free floor exercises. Because of its nature, the gymnastic team has provided a challenge to the more graceful TROJANS.

The team members are, *from left to right:* Phyllis Boger, Susan Anderson (manager), Karla Hunt, Dawn Lackey, Susan West, Ginger Thompson, Cathy Hayslett, Mary Stone, and Margie Sexton (manager). *Back row:* Lynn Parris, Cassie McCrory, Coach Powell, Ginger Thompson, Gail Ussery, and Judy Hinebaugh.

Trojans Win Region Regular Season Title,

The Mighty Trojans began their season with a bang, defeating a much taller Butler team, 65-58. In his initial varsity competition, junior **Dewey Bowen** stepped in to take the place of the seniors of 1974, playing scrappy under the goal and out-jumping his taller opponents. Senior **Rick Sanford,** who also played an excellent game, led the scoring with thirty points. On their return visit, the Trojans had an off night, only pulling down a total of twenty rebounds. Although their shooting percentage was high, at the final buzzer the scoreboard declared the Butler Tigers victorious by a score of 91-70.

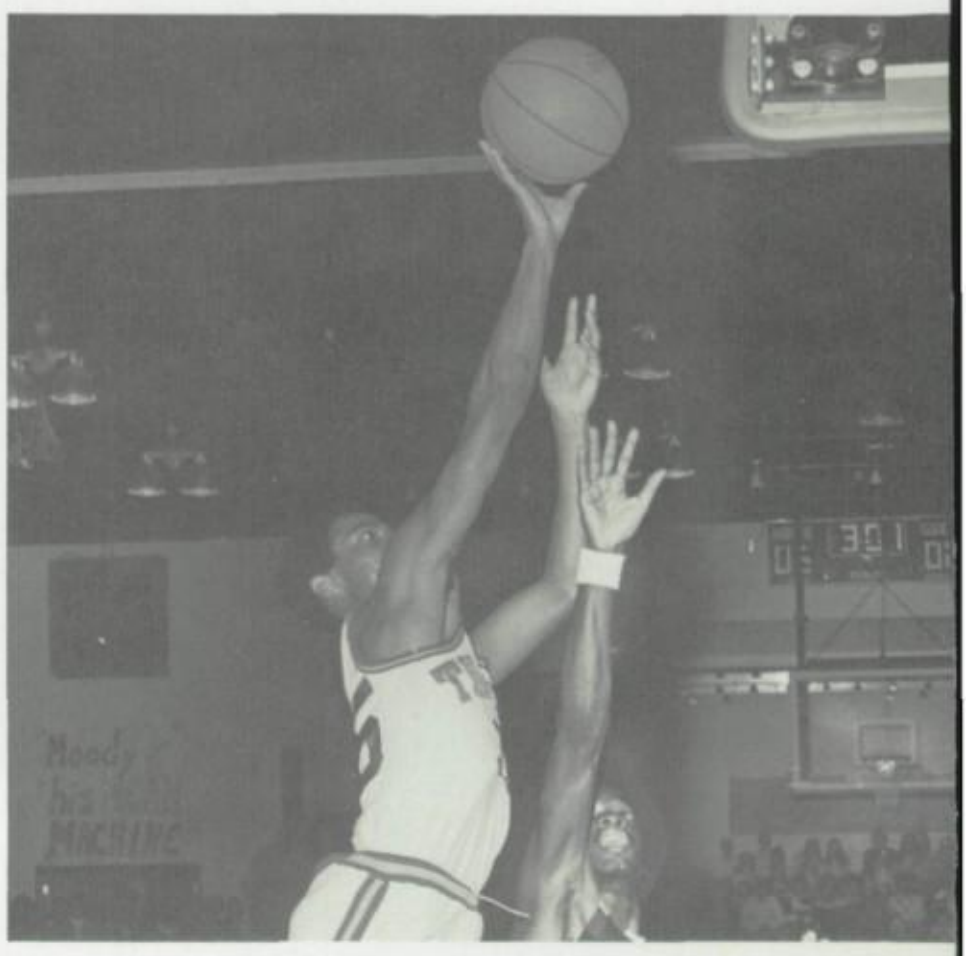
Northwestern had another off night against Fort Mill. The Trojans, forced to take outside shots and troubled on rebounding, met their second defeat of the season 68-62.

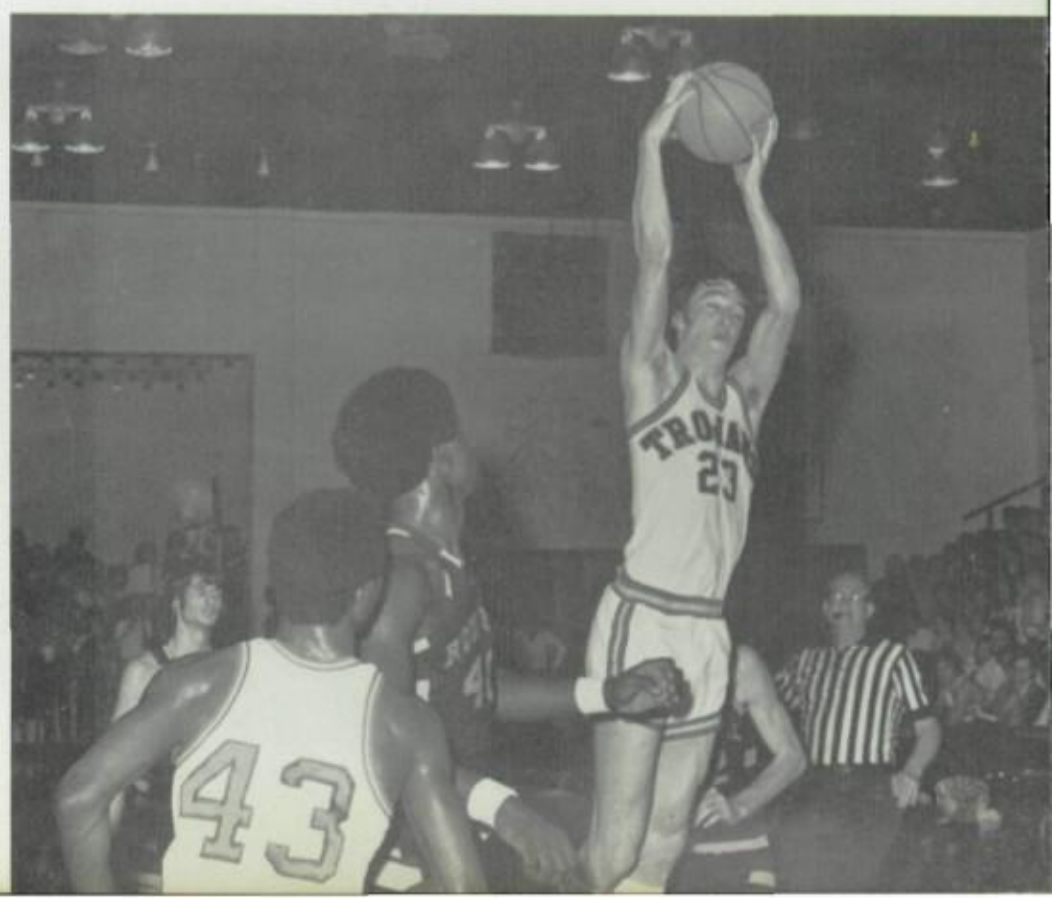
The tide turned at Chesterfield, although late in the game. Sophomore **Gary Walton** saw action for the first time, as he was drafted from the JV team. Defense was the key to the victory as the Trojans only allowed the Rams two points in the first quarter. The final score: 44-38.

The Trojans entered conference play with an impressive win over Gaffney, 62-48. The depth of the Trojans was revealed for the first time, as **Coach Moody** emptied his bench the fourth quarter. **Ben Fortson, Herman Johns** and **Tim Cooper** contributed their share to the victory and gained valuable experience.

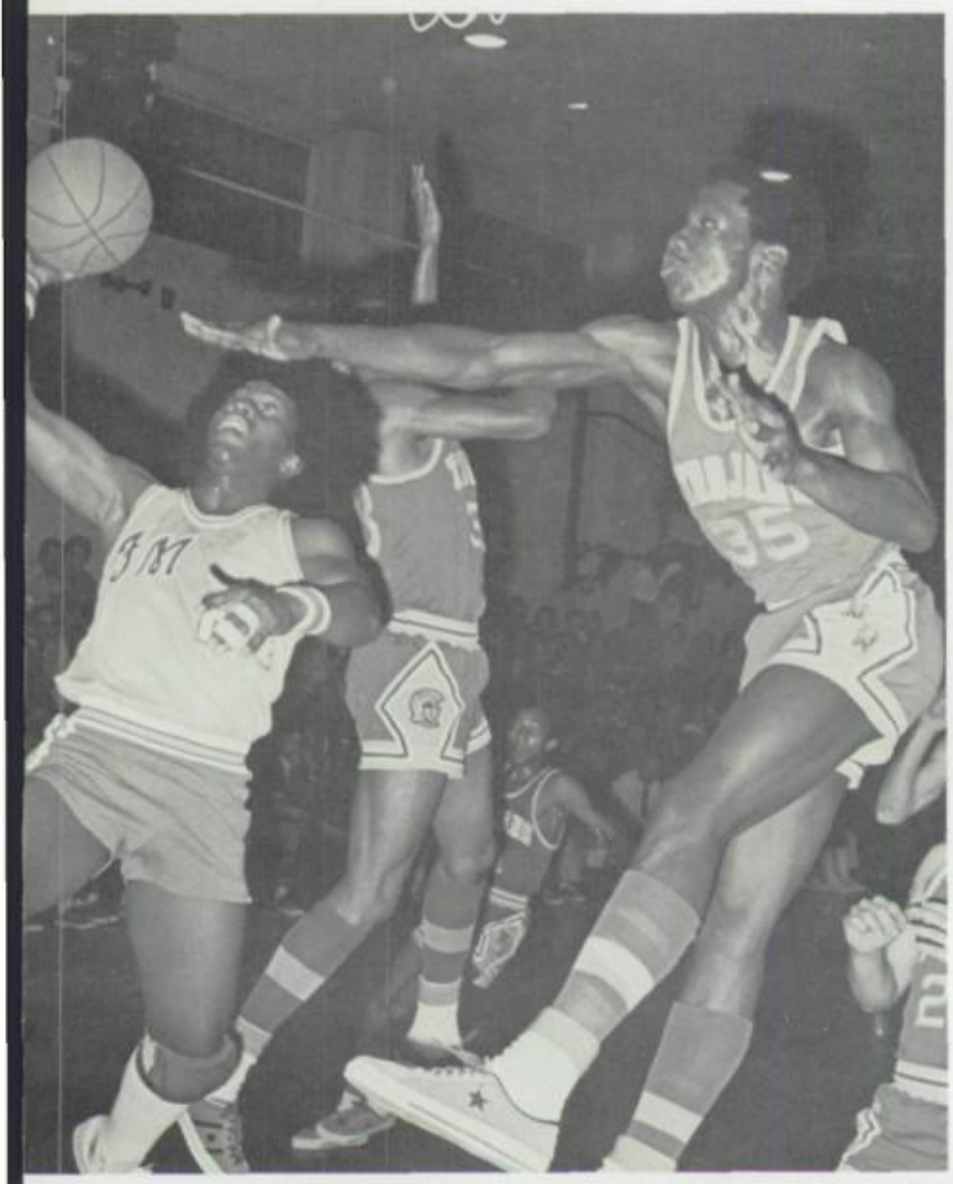
Traveling to Winnsboro proved disasterous to the Trojans as they lost their first conference game, 55-58. **Marvin Crawford** and **Jim Kiser** made some key steals in the closing minutes of the game but the Trojans failed to turn them into points. Defense kept the Trojans within reach, but the time ran out.

Again, sticky defense was the key to the victory over Union 41-38.





Tournament Title, and Finish THIRD in State



In the next game of the season, Northwestern lost a very physical battle to Fort Mill. **Kiser** kept the Trojans in the game during the final quarter, scoring fourteen points in crucial situations.

The Trojans got it all together in their following encounter, stomping Chesterfield 82-46. With the starters playing half the game and the reserves playing the other half, the Trojans had nine people score, four in double figures. This victory built up the rattled Trojans' confidence.

The Trojans expressed their killer instinct as they clobbered Lancaster 74-47. Outstanding defense, a tough full court press, and strong rebounding, along with "hot hands" was the name of the game for Northwestern.

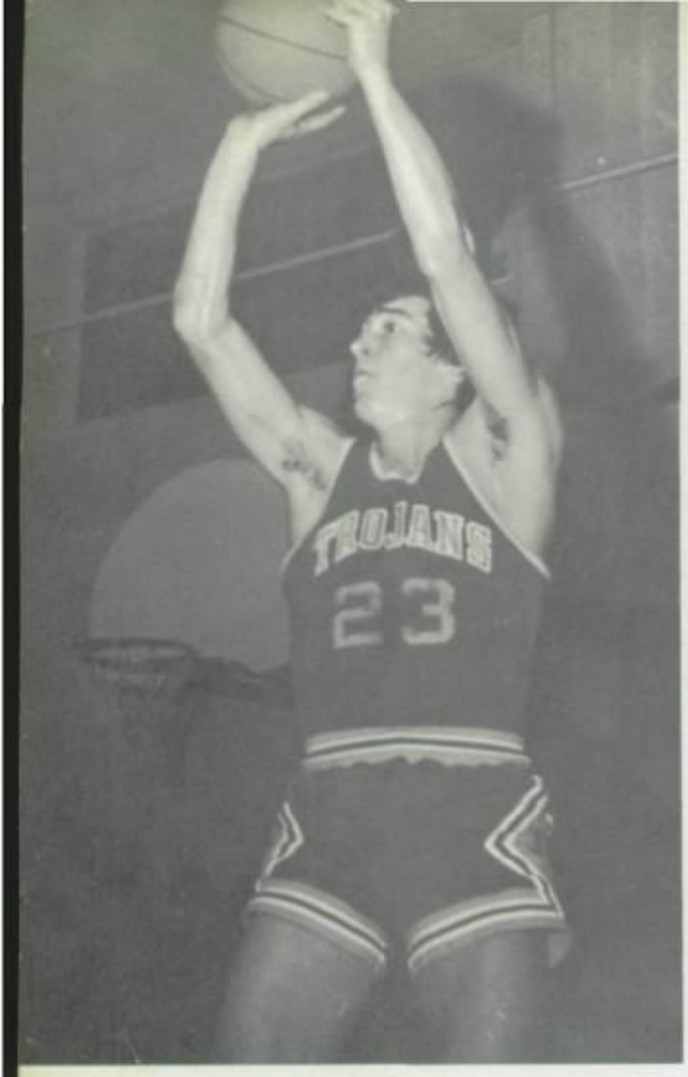
The first encounter of the season with the cross town rival ended in the Trojans' favor, 75-60. **Jim Kiser** again led the Trojan attack in the second half. **Geno Walden** also had a fine game. High scorer **Rick Sanford** poured in twenty two points for the night.

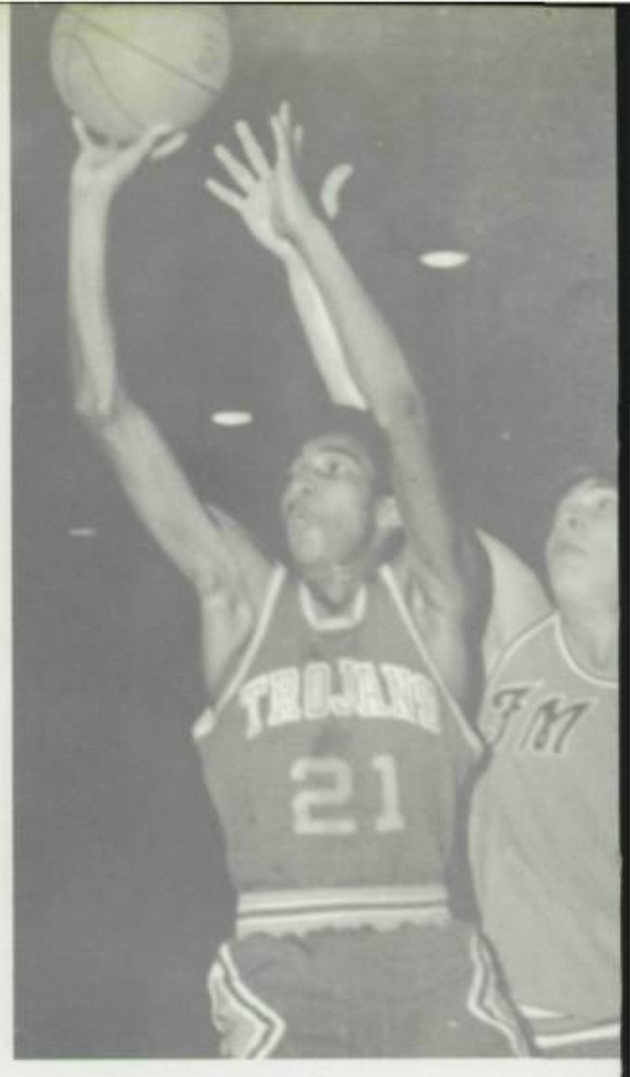
The Trojans then ran over Chester 66-46 with **Geno Walden** and **Rick Sanford** playing especially well. Substitutes **Danny DuBard** and **Herman Johns** got into the action scoring a basket each.

Winnsboro's name was temporarily changed to "Loseboro" as they fell to the Trojans, 77-62. Revenge was in the Trojans' eyes as they played a fine team game in both ends of the court.

Hot was the word of the night, as Northwestern scalped the Gaffney Indians 79-56. With all five starters hitting better than fifty percent of their shots, the bench saw plenty of action. Tough defense was also an asset for the Trojans.

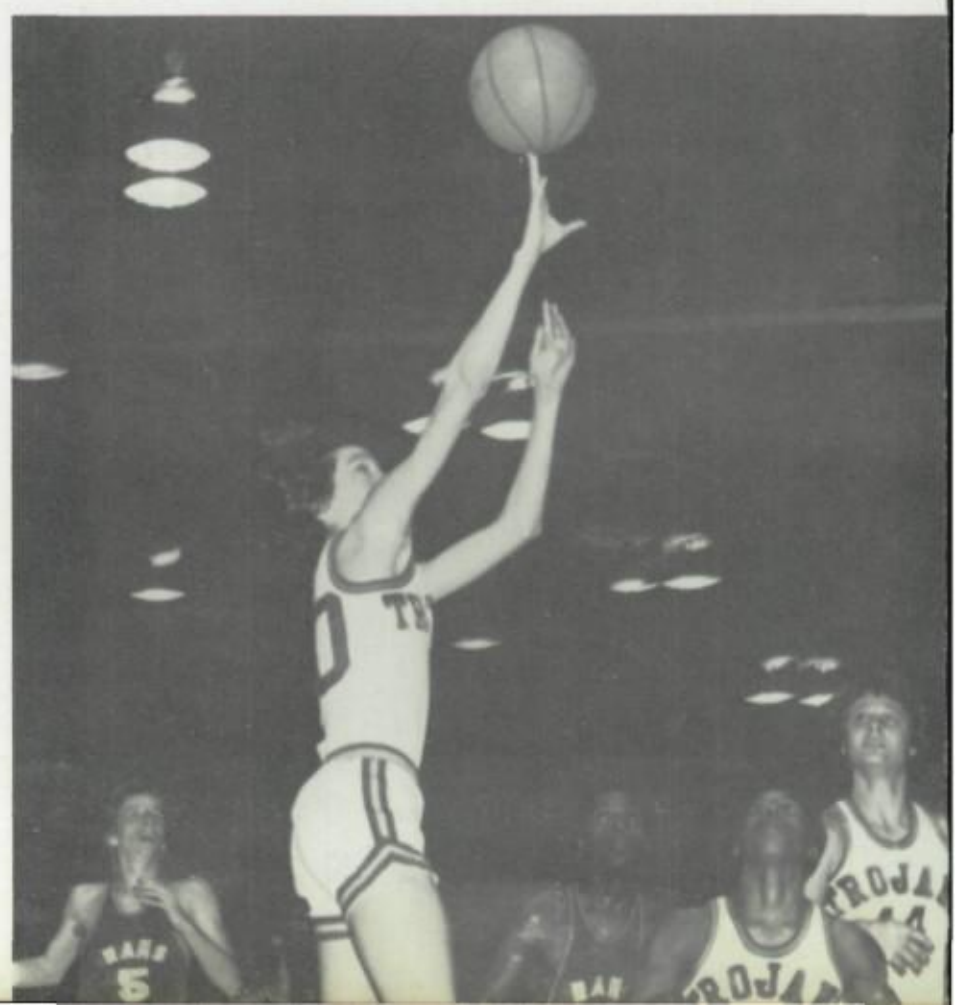
The Trojans managed to hold off a strong fourth quarter attack from Union to win their sixth consecutive game 74-66. **Marvin Crawford,** team leader in assists, had ten for the night. **Dewey Bowen** pulled down eleven rebounds. **Geno Walden** scored two crucial buckets to ice the win.



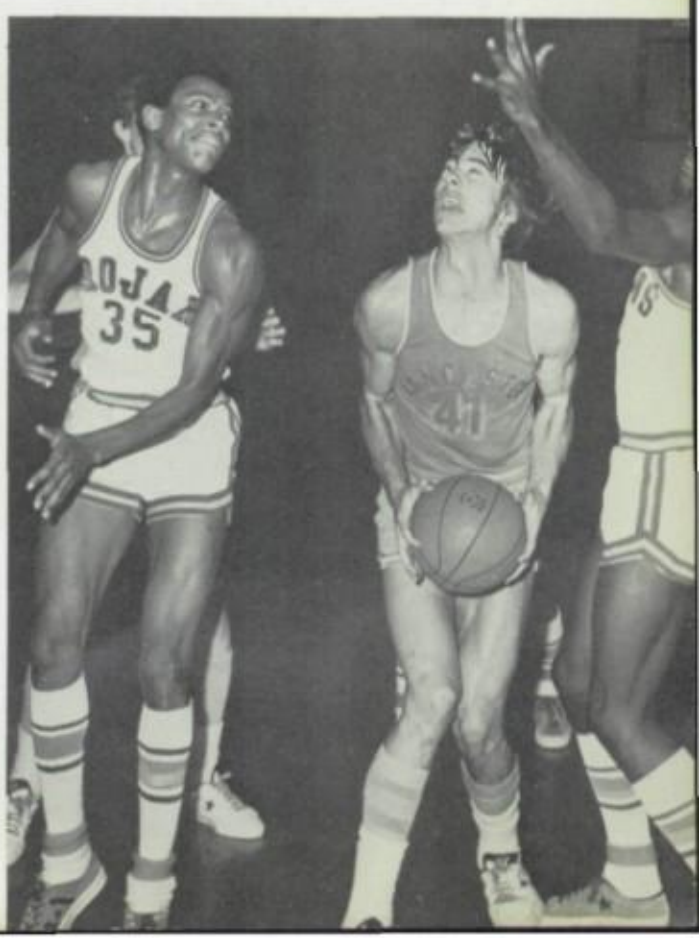


Northwestern's next victim was Rock Hill High. The Trojans were hot from the very beginning, as **Rick Sanford** blasted the Bearcats with ten points in the opening quarter of the game. Smooth defensive transitions by the Trojan Machine baffled the Bearcats. This was the first night in the history of Northwestern for a visiting team to win the rivalry. Both Varsity teams came away with victory.

The Trojans topped their season off with an outstanding victory over the Chester Cyclones, 78-59. Because of their ineligility, two of the starters were sidelined. Geno Walden and Sam Foster came in and did a terrific job filling in the gap. Walden pulled down twenty-two rebounds for the night.



Kneeling, left to right: Steve Sexton, Marvin Crawford, Danny DuBard, Roddey Broadnax, Tim Cooper, Gary Walton and Herman Johns. *Back row:* Randy Thompson, Jim Kiser, Dewey Bowen, Geno Walden, Ben Walden, Ben Fortson, Rick Sanford, Sam Foster, and Coach Lindberg Moody.



Determination Characterizes Initial Girls' Team

In their premiere season of high school basketball, the Lady Trojans showed tremendous amounts of ability, stamina, and determination. Although the team's season was a losing one, practically every game concluded with the Northwestern girls as the underdogs by only two or three baskets. Led by tenacious defensive player and team quarterback **Rosalyn Jennings** at guard and senior co-captain **Martha Sue Hope,** the Trojans' only fault seemed to be inexperience, and this was greatly overshadowed by their 100% dedication to NWHS.

Margaret Moore, Sally Herlong, Rebecca Myers, and **Kathy Hoskins** were invaluable to the team, and with Herlong, Jennings, and Hoskins returning next year the prospects for 75-76 appear very promising.

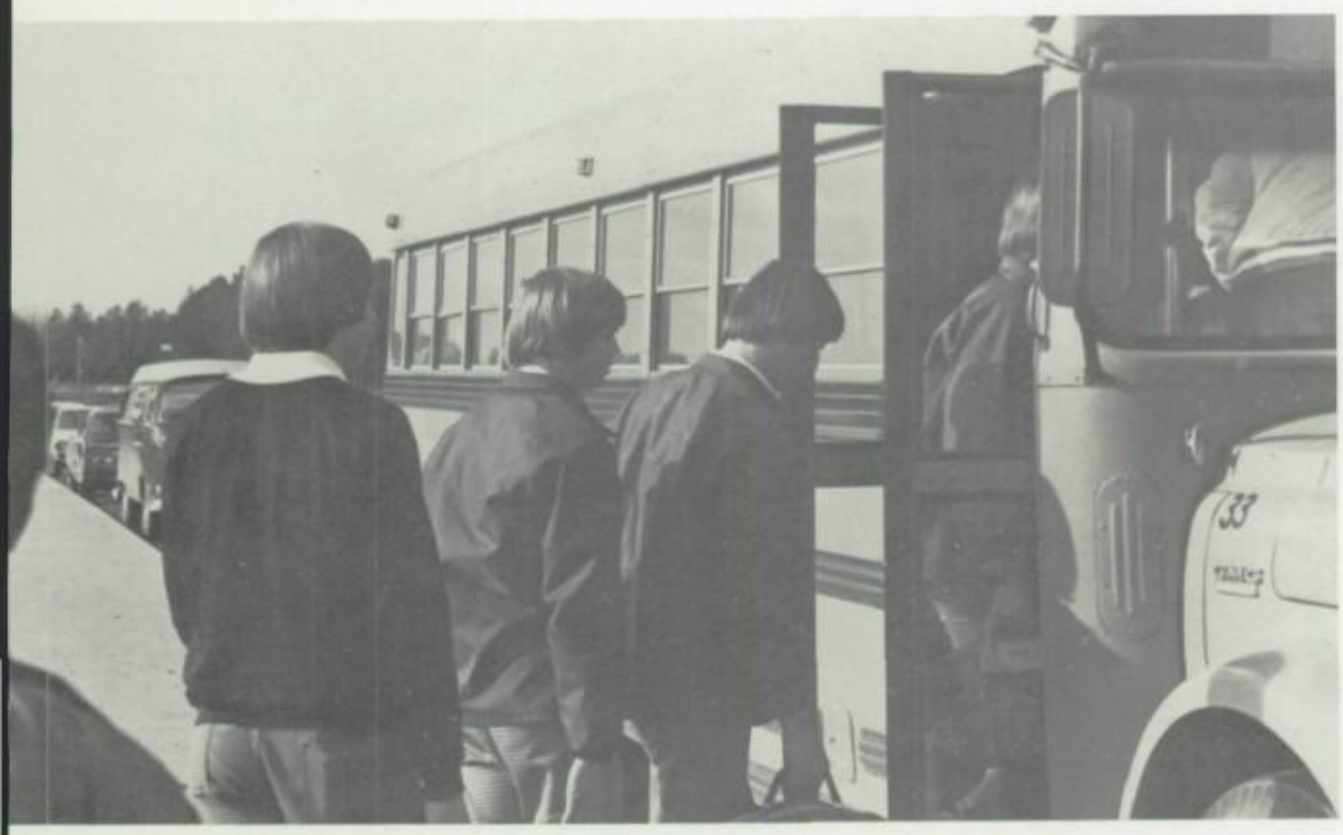
J.V.'s Demonstrate the Pride of True Trojans

The baby Trojans won their first three games of the season against Butler (twice) and Fort Mill, before dropping a heartbreaker to Chesterfield 43-39. Paced by the rebounding of **Mark Collum** and **Ricky Norwood,** the ball handling of **Jay Grantham** and **Doug Sumwalt,** and the all round play of **Leland Greeley,** the Trojans bounced back with devastating victories over Gaffney, Winnsboro, Union, and Fort Mill. In a particularly exciting game against Chesterfield, the baby Trojans avenged an earlier loss as **Sammy Pratt** swished a twenty footer from the corner at the final buzzer. Lancaster won the baby Trojans' next match. The Trojans came back the following game to beat the Bearcats of Rock Hill High. In another close contest, the Trojans defeated Chester in overtime. Pressure foul shooting paid off as the Trojans only won by a single point. In their next two encounters, the baby Trojans were disappointed falling to Winnsboro and Gaffney in close contests. The Trojans promptly romped the Union Yellow Jackets in their next game by a score of 73-40. Against Rock Hill High, the Trojans lost a thriller. The game went down to the last, with the final score 33-31. In overtime the Baby Trojans just couldn't hang on as they fell to Lancaster, 36-34.

In their final game of the season, the young Trojans rallied and "blew the Cyclones" from Chester out of the gym by a score of 52-34.

Coach Sumwalt feels that his team has matured greatly over the season and may become some of the greatest future Trojans Northwestern has ever seen.



NW Grapplers Send Two To State Tournament

The Trojan wrestling team completed another highly successful season under the fine leadership of **Coach Ken Humphries.** Led by seniors Captain **Ronnie Lafitte,** Captain **Mike McDowell, Jimmy Covington,** and **Mike Blackmon;** the team had the top score in the majority of the matches, and highlighted the season by soundly defeating Rock Hill High School on both confrontations.

Northwestern once again hosted the Upper State Wrestling Tournament, where Trojans **Mike Blackmon** and **Jimmy Covington** reached the finals and became eligible to compete in the state finals.

"Hang It Up Bearcats!"

The fall of the Bearcats . . . January 31, 1975. This night was the climax of an intense rivalry between Northwestern and Rock Hill High. The **Trojans** soundly defeated their cross-town rivals in the J.V., Girls' and Boys' varsity basketball games, just as they had done in football, wrestling, etc., etc., . . . Victory was sweet for the Trojans as they rallied off the three straight wins. Trojans *are* Winners!

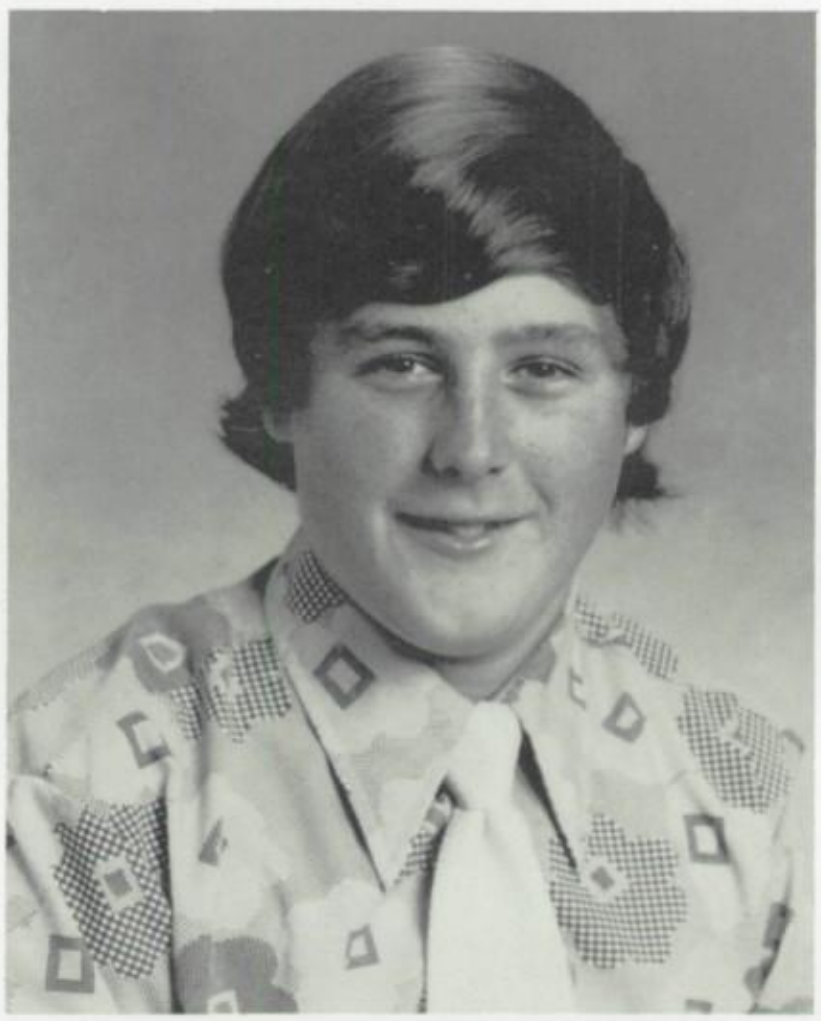
In Memory Of John B. Craig



In the death of our friend, Johnny, we experienced a great loss. We remembered past days; days we had shared with him. We remembered the warmth of his smile, the sound of his voice. Yes, we have lost a classmate, a cheery smile, and a dear friend, but we have not lost the loving memories which will remain with us forever.

"To live in hearts we leave behind is not to die." —Thomas Campbell

The Navy extends its sincerest best wishes to the graduating Class of '75. The Navy has a continuing need for the enlistment of young men and women who desire global travel, fun and adventure, and learning new technical skills. You could be that "New Navy Member" that the "New Navy" needs. Think about it.

Tears, . . . problems, . . . meeting deadlines, . . . making mistakes, . . . problems, . . . cuss words, . . . late hours and hours of work, . . . more problems, . . . All this and more went into the production of the 1975 Aeneid. Now that the tears have dried up, most of the problems have been solved, and the late hours of work have been rewarded, the Aeneid '75 staff wishes to express special appreciation to each of the following:

To **Bill Brown** and **Francis Jeffries** of Creative Photography for the informal pictures and their patience, gas, and extra effort.

To **Mr. Bill Blackston** and Delmar for class pictures, group photographs, and others.

To **Bryant McMurray** for the use of the color sunrise picture.

To **David Cowan** for his photographic contributions.

To the **Evening Herald** for their donation of sports pictures.

To **Libby Turner** for the time and effort she put forth in designing, drawing, and redrawing the cover.

To **Mrs. Sue Hilton** for the use of her telephone, answering of our many questions, and listening to our many problems.

To **Miss Ouida Ott** for serving in the capacity of Aeneid advisor and giving final approval to pages.

To **Mr. Sam Foster** who listened patiently to all of our complaints, suggestions and schemes.

To the **afternoon custodial crew** for waiting until we finished at night to lock up.

To all section editors and staff members, especially those who gave up their lunch periods and afternoons, for their work and dedication.

To these and all others who helped create such a fantastic annual goes a sincere "thank you" .

You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

With all its sham, drudgery, and broken

Be careful.

Therefore be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations in the noisy confusion of life, keep peace with your soul.

dreams, it is still a beautiful world.

Strive to be happy.
